

CASE STUDY

Ballymore Royal Wharf

3,385 Apartments & Homes

11,150 m² Of Retail & Business Use

Main Contractor

Ballymore

Screed Installed by

Progressive Group

Sector

Mixed Use

Jointly developed with Ballymore and Oxley Holdings Ltd, the development incorporates a high street, side streets, and the occasional mews, taking inspiration from the great estates that emerged in London, throughout its history.

Just minutes from Canary Wharf, and less than half an hour from Oxford Street, this is a rich, textured neighbourhood, focused around the lively central high street, a broad market square and a rolling riverside park.
